Horizon Staffing Services Gains National Recognition

Horizon Staffing Services Named among Nation's Top 100

East Hartford, CT, January 2006 In recognition of the economic power of multicultural businesses, DiversityBusiness.com, the nations' leading multicultural internet site, recently named Horizon Staffing Services as the 96th "Top 100 Subcontinent Asian American owned businesses in the United States (Div100)".

The Div100 is the 7th annual listing of the Nation's top 100 Subcontinent Asian American -owned businesses. Ranging in revenue size from \$6.5 million to over \$566 million, the companies listed on the Div100 represent the Nation's top multicultural earners and challenge the long-held notion that a diversity-owned business is small or insignificant. Div100 members are sought after by major corporations wishing to increase spending with diversity owned companies.

The Impact of Diversity Business

Affected by recent economic and demographic trends and changes, Fortune 1000 corporations throughout the country have recognized that buying products and services from diversity owned companies positively impacts their business. Diversity-owned businesses contribute over \$1.4 trillion in sales to the U.S. economy.

"Diversity businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."

Gloria Bohan, CEO of Omega World Travel in Fairfax, Virginia commented

"This group represents the entrepreneurial spirit that drives our economy and even more. It offers insights into a vastness of cultures and an exchange of ideas that are so valuable in helping me to understand how to reach the needs of today's consumers".

Horizon Staffing Services has strived to help promote the causes for small and minority owned businesses, and has successfully forged business relationships with many Fortune 100 and other such companies. Horizon Staffing Services recognizes that to achieve excellence there is no alternative to bringing value to clients and continues to strive towards that goal.

The Div100

The Div100 is a classification that represents the top 100 Subcontinent Asian American-owned businesses in the U.S., in sectors such as technology, manufacturing, food service and professional services. Large organizational buyers throughout the country that do business with multicultural and women-owned businesses use the list. The

Div100 is produced annually by DiversityBusiness.com, the nation's leading multicultural B2B Internet portal that links large organizational buyers to multicultural product and service suppliers.

The winning companies will be honored at a special awards ceremony at DiversityBusiness.com's "7thⁿ Annual Multicultural Business Conference", taking place April 11 - 13, 2007 at the Mirage in Las Vegas, Nevada.

At Horizon Staffing Services it is our view that diversity is what gives us an additional edge to cope with the fast paced and demanding environment of today's global economy. As a result of our diversity status we are the leaders for Corporate America to fully realize the benefits of diversity in providing the greatest value to the customers.
